Is Travel Insurance available for my reservation?

Travel Insurance is available through Generali Travel Insurance. You can add Travel Insurance when booking on our website or Seashore Vacations can add it to the reservation at the time of booking by phone. You can also reach out to Generali directly by calling 1-866-642-5889. The cost of the Travel Insurance is 7.95% of the rental rate + accommodations tax. For Example – a weekly rental that costs \$2000 + 10% tax = \$2200 total. Travel Insurance would cost an additional \$174.90 for this reservation.
